OCI NOTICE
NO. 50-84

OPERATIONS
21 April 1967

OFFICE OF CURRENT INTELLIGENCE
SUPPORT FOR PRESIDENTIAL TRIP

25X1A

1. Effective at noon on Sunday, 23 April, and for the duration of President Johnson's Western European journey, a Presidential Trip Task Force will be operating in OCI. The Chief of the task force will be [REDACTED], the Deputy Chief will be [REDACTED]

25X1A

2. The task force will be responsible for all intelligence production in direct support of the President's trip. Among other activities, it will:

a. Continue issuing daily and spot memoranda on security conditions in the areas where the President is stopping, especially focusing on developments which might endanger or otherwise adversely affect the President or members of his party.

b. Issue daily or spot sitreps beginning on 23 April which will cover all reporting and commentary on the Adenauer funeral and any developments in the Western Europe area about which the President and his party should be informed.

3. Except for emergency developments, reporting on events outside Western Europe will be handled by the normal flow of OCI publications to the President and his party. Spot reports may also be sent with the approval of the OD/OCI. Responsibility for taking the initiative on such spot reports rests with the SDO.
